COVID INFORMATION

Goolarri Media will be monitoring the ongoing Covid 19 pandemic and our policies will change in line with the state and federal mandates and directions. All patrons and staff must be fully vaccinated and sign into the venue either on the provided paper form or using the QR codes.

Proof of Vaccination

Due to the West Australian Government's COVID 19 vaccination mandates restricting access to venues, anyone over 16 years old entering Goolarri Media's venues, including the Gimme Club and Amphitheatre must be double vaccinated and have their vaccination status or exemption sighted by the Venue Manager before entering. Vaccinated patrons will be provided with a stamp or wrist band, which they need to present while in the venue and upon request by the venue staff.

Venue hirers will be required to assist in the sighting process by ensuring that all guests are made aware of the rules in advance and have their proof of vaccination and ID (if needed) available and ready to sight at the gate to reduce confusion and ensure an efficient movement into the venue. The hirer must provide at least one person to help facilitate this at the front gate.

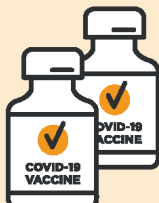

If the event is open to the public and/or is expecting guests to arrive throughout the event, additional costs to the hirer may be incurred to cover the cost of a venue manager, who, in partnership with the hirer, will manage the sighting of proof of vaccination.

To ensure that this process is quick and easy, we encourage all guests to use the "Service WA" app.
